

Your Blu 3 Year Warranty

How it works:

- 3 Year warranty covers manufacturers defects
- If your unit is not working please call 800.518.1102 for tech support.
- Digital Doc will send you a loaner unit via UPS 3day.
- Tech service will evaluate the sensor and determine warranty status

Warranty Status:

If the sensor is determined to be under the manufacturers warranty and free of damage a replacement sensor will be sent to your office at no charge during the **first 3 years**.

If the sensor has damage including, but not limited to; *cable damage, USB connector damage (bent), sensor bite marks that damage the sensor internally and/or impact damage.* A new replacement unit will be offered to you at \$1495.00 (**During your 3 year warranty period only**)

Out of warranty sensors may be replaced in years 4&5 (not to exceed 5 years) at the reduced cost of **\$2,895**
